	NCIC Modifiers for Federal Charges	3 - 6

SECTION I

Charge Codes

Sorted

By

Major Category

Major Category

Major Category Instructions

The charge codes contained in this section are listed in numerical order within each major category.

The Charge Code Manual is available on the Missouri State Highway Patrol website. A copy of this manual with the charge codes sorted in statute order is available on the Highway Patrol's web page along with the revisions and the quarterly supplements. The supplements contain any changes that may occur to specific charge codes after the legislative changes have been incorporated into the annual publication.

To access the charge code manual at the Highway Patrol's home page (www.mshp.dps.mo.gov), select "Publications" in the left hand index, then select "Handbooks/Manuals".

Descriptions of Column Headings:

Statute - Indicates the chapter and section of the Missouri Revised Statutes (RSMo) that relate to a particular charge code.

Type - Indicates the seriousness of a crime as determined by state statute (e.g. Fel = Felony, Misd = Misdemeanor and Infr = Infraction).

Class - Identifies the classification of an offense as determined by statute: A, B, C or D.

Charge Code - Is the eight-digit code associated with a criminal offense that is divided into three segments. The first five digits are pre-assigned by the Office of State Courts Administrator (OSCA). The 6th and 7th digits are either pre-assigned or left blank. If the 6th and 7th digits are not pre-assigned, then a selection from the list of available NCIC modifiers, identified in the "Literal Description" column, will need to be made. The NCIC modifier provides additional information specific to an arrest charge and it triggers caution indicators used to enhance officer safety.

NCIC Code - National Crime Information Center Code - 4 digit code to be noted on each arrest

State Modifier - The state modifier is the 8th and final digit of the charge code. Only the modifiers listed with the charge are applicable.
0-Not Applicable, 1-Attempt, 2-Accessory, 3-Conspiracy.

F/P OCN - (Fingerprint/Offense Cycle Number) - A "Yes" in this column identifies offenses for which fingerprints must be obtained on the state criminal fingerprint (OCN) card and submitted to the Criminal Justice Information Services (CJIS) Division of the Missouri State Highway Patrol. A "No" indicates a fingerprint submission is not required. If fingerprints are collected and submitted to the CJIS Division, the fingerprints will be searched through the Automated Fingerprint Identifications System; however, a criminal record for the offense will not be created.

Major Category Instructions (cont'd)

Literal Description - Indicates the base description of a particular offense. The available NCIC modifiers are also identified in this column. If more than one modifier is available with the base code, then a selection must be made to complete the 6th and 7th digits of the charge code.

DNA - Identifies whether the offense requires the collection of DNA.

"A" identifies offenses that require the collection of DNA upon arrest.

"C" identifies offenses that require the collection of DNA upon conviction of an offense.

"S" identifies offenses that require the collection of DNA if the subject is registering as a sex offender.

"N" indicates that the collection of DNA is not required for the offense.

SOR - (Sex Offender Registration) - A "Yes" in this column indicates that registration as a sex offender is required upon conviction. A "No" indicates that this charge does not require registration as a sex offender.

Case Type - This column is used by OSCA to categorize cases for management purposes. "C" = Conservation, "F" = Felony, "J" = Juvenile, "M" = Misdemeanor, "IN" = Infraction, "O" = Ordinance, "T" = Traffic, "W" = Watercraft.

ROC - (Record of Conviction) - A "Yes" indicates the offenses that are reportable to the Department of Revenue upon conviction. A "No" indicates the offenses that are not reportable to the Department of Revenue upon conviction. An asterisk "*" identifies offenses that are reportable to the Department of Revenue if the offense occurred while operating a motor vehicle.

Effective Date - Indicates the actual date the charge code was created and available for use.

Instructions for Selecting and Using Modifiers

STATUTE	TYPE/ CLASS		CHARGE CODE	NCIC COD	F/P OCN	DESCRIPTION	DNA	SOR	CASE TYPE	ROC	EFFECTIVE DATE
565.081	Fel	A	13100__._	13__	Yes	Assault/attempt assault 1st degree on law enforcement officer, corrections officer, emergency personnel, highway worker, utility worker, cable worker or probation and parole officer (available NCIC modifiers - 10-12 or 99)	A/C	N	F	*	08/28/1989

If an offender commits the crime of assault on a law enforcement officer with a gun, the Missouri Charge Code for this offense is 13100__._. An appropriate modifier needs to be selected in order to complete the charge code. The list of applicable modifiers is provided below. In this case, the modifier for Aggravated Assault - Police - Gun is 10.

13-- NCIC MODIFIER CODE RANGES

01 Aggrav Asslt - Family - Gun	07 Aggrav Asslt - Pub Off - Gun	13 Simple Asslt
02 Aggrav Asslt - Family - Weapon	08 Aggrav Asslt - Pub Off - Weapon	14 Aggrav Asslt - Gun
03 Aggrav Asslt - Family - Stgarm	09 Aggrav Asslt - Pub Off - Stgarm	15 Aggrav Asslt - Weapon
04 Aggrav Asslt - Non-Family - Gun	10 Aggrav Asslt - Pol Off - Gun	16 Intimidation (includes stalking)
05 Aggrav Asslt - Non-Family - Weapon	11 Aggrav Asslt - Pol Off - Weapon	99 Assault - (free text)
06 Aggrav Asslt - Non-Family - Stgarm	12 Aggrav Asslt - Pol Off - Stgarm	

.0 NOT APPLICABLE .1 ATTEMPT .2 ACCESSORY .3 CONSPIRACY

For the remaining position, enter the code for "Not Applicable" (.0) since the charge was not an attempt, accessory, or conspiracy. Therefore, the complete Missouri charge code for assault police officer - first degree offense is 1310010.0. To complete the NCIC code 13__ use the same two digit modifier (10) as entered in the Missouri Charge Code. Therefore, the complete NCIC code is 1310.

Since the charge is a felony, it is classified as a mandatory reportable offense and entered in the Criminal History System. The NCIC code associated with this charge would trigger a caution indicator when entered into the Criminal History System. These caution indicators can be invaluable when identifying a potentially hazardous situation for law enforcement personnel when dealing with such an individual.

This manual has been distributed by the Missouri State Highway Patrol. Inquiries regarding the use of this manual may be directed to the Missouri State Highway Patrol, Criminal Justice Information Services Division at 573-526-6345. Written inquiries may be addressed to Post Office Box 9500, Jefferson City, Missouri 65102.

SECTION II

Ordinances

Ordinance Violations

The charge codes contained in this section are listed in ordinance violations order.

The Charge Code Manual is available on the Missouri State Highway Patrol website. A copy of this manual with the charge codes sorted in statute order is available on the Highway Patrol's web page along with the revisions and the quarterly supplements. The supplements contain any changes that may occur to specific charge codes after the legislative changes have been incorporated into the annual publication.

To access the charge code manual at the Highway Patrol's home page (www.mshp.dps.mo.gov), select "Publications" in the left hand index, then select "Handbooks/Manuals".

Descriptions of Column Headings:

Type - The offense types are all ordin= Municipal Ordinance Violations

Class - The classification is not needed for this section

Charge Code - The 8-digit charge code number assigned to a particular offense.

NCIC Code - National Crime Information Center Code - 4 digit code to be noted on each arrest

F/P OCN - (Fingerprint /Offense Cycle Number): A "Yes" in this column identifies offenses for which fingerprints must be obtained on the state criminal fingerprint (OCN) card and submitted to the Criminal Justice Information Services (CJIS) Division of the Missouri State Highway Patrol. A "No" indicates a fingerprint submission is not required. If fingerprints are collected and submitted to the CJIS Division, the fingerprints will be searched through the Automated Fingerprint Identifications System; however, a criminal record for the offense will not be created.

Literal Description - The literal description that relates to a particular offense.

Case Type - O=Ordinance "Case Type" is used by OSCA to categorize the various cases for management purposes.

ROC - (Record of Conviction): Y = Yes, N = No Yes indicates those cases that are reportable to the Department of Revenue.

Effective Date - Indicates the begin date for a charge code

SECTION III

Federal Charges

Federal Codes

The charge codes contained in this section are listed in Federal Statute order.

The Charge Code Manual is available on the Missouri State Highway Patrol website. A copy of this manual with the charge codes sorted in statute order is available on the Highway Patrol's web page along with the revisions and the quarterly supplements. The supplements contain any changes that may occur to specific charge codes after the legislative changes have been incorporated into the annual publication.

To access the charge code manual at the Highway Patrol's home page (www.msHP.dps.mo.gov), select "Publications" in the left hand index, then select "Handbooks/Manuals".

Descriptions of Column Headings:

Statute - The chapter and section of the United States Statutes (USC) that relate to a particular charge code.

Type - The seriousness of a crime as determined by federal statute (e.g. **Fel**= Felony, **Misd**= Misdemeanor)

Charge Code - Is the eight-digit code associated with a criminal offense that is divided into three segments. The first five digits are pre-assigned by the Office of State Courts Administrator (OSCA). The 6th and 7th digits are either pre-assigned or left blank. If the 6th and 7th digits are not pre-assigned, then a selection from the list of available NCIC modifiers, identified in the "Literal Description" column, will need to be made. The NCIC modifier provides additional information specific to an arrest charged and it triggers caution indicator used to enhance officer safety. The state modifier is the 8th and final digit that should be completed by selecting the applicable state modifier.

NCIC Code - National Crime Information Center assigns the first 2 digits; the last 2 digits should be selected by the officer from the list of modifiers

Literal Description - The literal description that relates to a particular offense.

Federal Codes

The charge codes contained in this section are listed in Federal Statute order.

The Charge Code Manual is available on the Missouri State Highway Patrol website. A copy of this manual with the charge codes sorted in statute order is available on the Highway Patrol's web page along with the revisions and the quarterly supplements. The supplements contain any changes that may occur to specific charge codes after the legislative changes have been incorporated into the annual publication.
